

Harris Parcell operates tractor in clearing vacant lot for baseball field, as "clean-up" fever hits Heber.

Cleanup Fever Strikes In Heber

HEBER — The "clean-up" fever is spreading to the school children with the advent of summer vacation.

A group of children in the 5th Ward Church of Jesus Christ of Latter-day Saints, cleared a vacant lot of weeds and debris and are now using it for a baseball diamond.

The project started at 5 a.m. one morning and ended in a wiener roast that evening. Boys participating were Daniel Bates, Allen Young, Larry Beardall, Jim Young, Larry Bates, Roy Bates, and Arlo Bates.

Rusty Mair and Walter Raszband of the Sixth Ward handled a hammer and wrecking bar like veterans while helping Harris Parcell tear down sheds on their block.

much greater than otherwise.

This does not mean that all women have German measles early in pregnancy will bear deformed babies. Nor does it mean that all those who DON'T have rubella at that time will necessarily have perfect babies.

The degree of deformity, if any, varies. It may be slight. It may be severe. But the risk is great.

* * *

Note to Mrs. G. S.: When diabetes starts in childhood, you might as well accept the fact that insulin will always be necessary. Emotional fac-

tors seem to have no effect in causing diabetes; the hereditary factor is extremely strong, but it can be transmitted by alternate generations, or by the marriage of people having the trait but not manifesting the disorder.

How to get rid of leg cramps and foot pains? The answer may be simple. Write to Dr. Molner in care of this newspaper for a copy of the booklet, "How To Stop Leg Cramps and Foot Pains," enclosing a long, self-addressed, stamped envelope and 20 cents in coin to cover cost of printing and handling.
